

# FUNCTIONSMART PHYSICAL THERAPY

## DIRECTIONS TO OUR SORRENTO VALLEY LOCATION

5945 PACIFIC CENTER BLVD SUITE 510

SAN DIEGO, CA 92121

We are located in Sorrento View Business Park at the intersection of Pacific Mesa Blvd and Pacific Center Blvd:

Closest parking is off Pacific Mesa Blvd – enter the parking lot on the right, after the FedEx drop off box!

5945 is to the left in the parking lot – our front door faces the street/intersection (the back of the building faces the parking lot and doesn't have a sign).

Walk on the path around the left side of the building and our office Suite 510 is the first door on the right!

**If your GPS sends you to the other side, you can also park off of Pacific Center Blvd – it's just a bit longer of a walk!**

5945 faces the intersection (you'll see the Canon office building across the street). You should see Suite 504 or 507 that face the parking lot.

Walk around the path on the right side of the building. Continue walking on the path all the way around the building and you'll arrive to us at Suite 510 on the left!
